The Navigator Pre-Development Loan is a simple, lightly secured line of credit that finances analysis and design of energy improvements for multifamily properties (5+ units, market rate and affordable).

The application process is easy:
- Provide a project description with a budget and qualifications of the contractors you plan to hire.
- Submit property financials, such as operating budget, financial statements, tax returns, and certificate of insurance.
- We review the proposal and, if approved, provide a loan agreement for your review.
