# Making Energy Improvements Even Easier for the City of Detroit

We're making it even easier to finance energy upgrades so more Detroit homeowners can invest in clean energy projects.

If your credit score disqualifies you from our traditional loan program or income-qualified programs through your utility provider, you can apply through TRUE Community Credit Union and Michigan Saves will use alternative underwriting criteria to determine your ability to pay.

We're working with Detroiters like you to make your homes more efficient, safe, and cost effective.

## GETTING STARTED

Find a Michigan Saves authorized contractor in your area to get an estimate on qualifying home energy improvements. Visit [www.michigansaves.org](http://www.michigansaves.org) for a list of contractors and eligible projects.

## LOAN APPLICATION

Apply for financing anytime online and have your authorized contractor's six-digit ID number handy at [www.michigansaves.org/loancenter](http://www.michigansaves.org/loancenter).

### IMPORTANT!

Please select TRUE Community Credit Union as your lender.
