Septic Replacement Loan Program Certificate of Completion

Customer Certification

IMPORTANT: Signing this document authorizes the lender to pay your loan proceeds to your Authorized Contractor. You are responsible for your loan repayments under the terms of your loan agreement once this certificate is signed. **Do not** sign this certificate until the work is completed to your satisfaction and has had final inspection and written approval by the local health department.

Completion of Work

I certify that the septic system installation, financed through a Michigan Saves authorized lender, has been satisfactorily completed in accordance with the *Michigan Saves Septic Replacement Loan Program Implementation Guide* (the "Guide"), *Program Minimum Standards* (the "Standards") and the contract and cost estimate provided to me by the Authorized Contractor listed below. I further understand that my septic system has received final inspection and approval by the local health department.

I understand that the acceptance of the materials used, the work performed, and the selection of the Authorized Contractor, is my responsibility. I understand that neither Michigan Saves, Inc., its directors, officers, employees, affiliates, agents, designees, and subcontractors employed in the management of the Septic Replacement Loan Program (the "Program") nor the authorized lender, guarantee the performance, quality, or workmanship of the contractor or the materials used at my home.

Release of Information

Michigan Saves has received information related to the work performed on my property and will use that information to serve customers more efficiently and effectively. Michigan Saves may collect information related to the work performed on my property and may share that information with the Michigan Department of Environment, Great Lakes, and Energy for reporting and quality assurance purposes. All parties, who may receive such information, will treat the information as confidential unless otherwise required by law. Notwithstanding anything to the contrary:

1. I authorize my Authorized Contractor and my lender to share information with Michigan Saves, including contract information, data on work performed and equipment installed, information regarding my loan, and other information relating to or arising from participation in the Program.
2. I understand that an agent of Michigan Saves may contact me to evaluate the Program, including asking me to complete a customer satisfaction survey. The satisfaction survey is voluntary.
3. Michigan Saves will not release any of my personal identifying information for marketing or other purposes without my express written consent and will not sell my information to third parties. For all uses other than program management or reporting, Michigan Saves will only release information in an anonymous and aggregated form with all personal identifying information removed.
