

You love your historic home. But if it was built before 1978, it may contain hazardous lead in windows, siding, doors, walls, or trim. Explore lead abatement options to protect your home and boost its value with the Lead Fund.

- ✓ 50% off eligible lead abatement costs
- ✓ Projects include new windows, siding, doors, and more
- ✓ Certified lead abatement contractors
- ✓ Flexible, low-interest financing options for remaining costs

Preserve the past. Protect your future.
